

CALVIN THEOLOGICAL SEMINARY
Declaration of Finances Form
For Canadian and International Summer School Students

The Department of Homeland Security in the USA has informed all schools that they must issue I-20's to all students taking summer classes for credit or they will not be admitted at the border. In order to complete the I-20 we will need to receive the following information:

*Last name: _____

*First name _____

*Middle name _____

(*as they appear in your passport – if you have one)

Home address: _____

Date of birth: _____

Country of birth: _____

Country of citizenship: _____

Dates you will be here: _____

What are your tuition charges (in US dollars): _____

Are you working toward a degree? Yes/No If yes, which one? _____

Or is this continuing education & you are auditing? _____

Where will you be living while you are here? _____

What amount of rent will you be paying? _____

What will your expenses for food be? _____

By which company are you covered for health insurance? _____

Will your family be coming with you? Yes/No

If yes, please complete the information needed on the reverse side of this form.

We will need some type of proof that you can cover the expenses for you and your family, should they accompany you. In this case a bank statement showing that you have the money to cover this amount should be enough. You will also need this proof of finances with you when you show your I-20 at the border.
