2020-21
Welcome to Calvin Theological Seminary!

We have been praying for you and looking forward to your joining our hospitable community of faith and learning. According to our “Vision Frame,” our mission is to be “a learning community in the Reformed Christian tradition that forms church leaders who cultivate communities of disciples of Jesus Christ.” For 144 years, we have formed and prepared students to serve the church around the world as the church serves the mission of God.

As a learning community of faith we offer a number of opportunities and environments where your participation is desired and needed. We worship together. We pray together. We learn from one another.

The seminary community worships in a variety of ways: through student groups, community chapel services, and early morning prayer times. Whether you are a student in residence in Grand Rapids or a distance learning student, we encourage you to find a rhythm of worship and participation in the Calvin Seminary community.

Calvin Seminary receives students from over 20 countries, who bring cultural and ethnic diversity that energizes classroom discussion and enriches community life. Through a number of opportunities, we learn what God is doing around the world and experience first-hand different styles of prayer and worship. We have witnessed the formation of friendships that bridge cultural barriers that last a lifetime.

You will find study at Calvin Seminary rewarding and enriching, but also sometimes stressful and challenging. You may find it hard to balance responsibilities at home, school, church, and work. Please know that you have a Christian community here ready to support you and pray for you. Your fellow students, professors, staff members and, if you participate in the vocational formation program, the group members, leader and your vocational mentor are all here to encourage you and provide support for you.

Again, we are delighted to welcome you to Calvin Seminary and to walk alongside you in this new stage of your Christian journey. We pray that God will bless you here, and through you bless others!

In His Service with You,

Rev. Jul Medenblik
President of Calvin Theological Seminary

**Mission**

As a learning community in the Reformed Christian tradition that forms church leaders who cultivate communities of disciples of Jesus Christ, Calvin Theological Seminary exists to serve the Christian Reformed Church in North America and wider constituencies by preparing individuals for biblically faithful and contextually effective ministry of the Word and by offering Reformed theological scholarship and counsel.

Communicating the good news of the gospel in today's world requires that you're theologically prepared, practically equipped, and spiritually mature. We integrate a strong academic program with supervised ministry opportunities in our vocational formation programs. In other words: you learn, and you live what you learn.

When you do, you help us fulfill our mission - to prepare people to lead in ministry, to give them what they need to respond to the Holy Spirit's call throughout their lives, to bring nations to Christ, build His church, and extend God's kingdom.

Our professors use a rich variety of academic, professional, and personal gifts to train men and women for effective ministry. They invest themselves personally in helping you develop your God-given gifts in ways that promote spiritual maturity and integrate faith and life.

To prepare you for visionary leadership in the church and world, we offer courses of study in preaching, worship, leadership, educational ministry, youth ministry, missions and church growth, and pastoral care and counseling. In each of these areas, we teach from a scripturally Reformed position. We are committed to the Bible as God's Word and to the confessional standards of the Belgic Confession (1561), the Heidelberg Catechism (1563), and the Canons of Dort (1618-1619) as faithful interpretations of that Word. This perspective enables our students to interact with -- and effectively speak to -- a broader ecumenical Christian community and a post-modern world.

Calvin Theological Seminary has been equipping people to envision their participation in the kingdom of God since 1876. We will continue to do so for the glory of God.
Teaching Faculty

Over ninety percent of full-time teaching faculty members possess earned doctorates from leading theological schools and universities. Faculty members have distinguished themselves by their writing and speaking, by their counsel to Reformed churches and in ecumenical arenas, by their commitment to the truth of the gospel, and by their devotion to serving students and forming them for life and ministry. Faculty members are frequent participants in international projects and have developed modern approaches to theological education. As ordained pastors and active church members, they know and value the life of local congregations.

Though recognizing that the future of theology and the strength of the church depend heavily on new leadership, the faculty’s first commitment is to their students. Calvin fosters close, sustained contact between professor and student as the basic ingredient in theological education. The seminary stresses preparation in the great tasks of ministry: outstanding preaching, church education, pastoral care, evangelism, and administration.

We provide a range of degrees and programs to equip you to act on your call, no matter what form it takes. You can be prepared for ordained ministry in the church, train for specialized ministries, do advanced study, even prepare yourself for ordained leadership in the Christian Reformed Church after studying elsewhere.

Since timing is different for everyone, you can choose options for full-time or part-time study as a residential student or as a student in our Distance Learning program. Some students switch between residential and distance as their life circumstances change. Some residential students take a course in the distance format for scheduling flexibility. Students in our MA programs may choose to complete their program entirely online.

Internships spread over most of your academic program give you an integrated education in the real world.

Students who have completed relevant graduate-level studies at another accredited institution with a course grade of B or higher may apply for transfer credit. The previous work must be approximately parallel (80% or higher equivalence) to the content of a Calvin Seminary course. Up to one half of a student’s program requirements may be met by way of transfer credit. Up to half of a completed program elsewhere may be accepted as transfer credit.
Master of Divinity (MDiv)

The MDiv program is designed to prepare you for diverse ministry opportunities, from pastoral ministry to chaplaincy, missions, teaching, writing, non-profit leadership, or graduate programs oriented to research and scholarship. It combines foundational study in the biblical and Reformed theological texts, Church history and ancient languages with practical preparation and spiritual formation to make you an effective steward of the life-changing gospel of Jesus Christ. At Calvin Theological Seminary you’ll find all of the elements you need to construct a solid foundation for your life and for your ministry. The MDiv curriculum provides the building blocks for every dimension of a biblical, authentic, contextual, and life-changing ministry, and is focused on the personal and spiritual formation of every student.

Admission

The admission process reflects Calvin Seminary’s goal to train capable stewards of the life-changing gospel of Jesus Christ. A strong liberal arts education provides an excellent foundation for graduate level theological education and shapes well-rounded, intellectually and culturally astute graduates. Therefore, it is recommended that a candidate's baccalaureate preparation consist of courses in the liberal arts, including English, philosophy, history, literature, social science, and natural science.

The Director of Admissions and the Registrar will examine the academic, professional, and ministry background of each applicant. If an applicant would benefit from further study in a particular area, a learning plan will be developed which could include specific seminary electives or additional courses from another academic institution.

To apply to the MDiv program you must have a Bachelor's degree or its equivalent from an accredited college with a grade-point average of 2.67 (B-) or higher. (Non-native English speakers need to submit a minimum internet based TOEFL score of 80 total, with 23 in the writing section, OR a minimum overall IELTS score of 6.5, with at least a 6.5 in the writing section.) You should also give evidence of academic and personal preparedness for theological education.

In some circumstances an applicant without a bachelor's degree, or with a bachelor's degree from an unaccredited institution, may be admitted into a degree program at CTS under a special provision of the Association of Theological Schools. In such cases, the Registrar will determine the program the applicant must take in order to meet the requirements for graduation.

Continuation Requirements

Continuation in the MDiv program requires a minimum cumulative GPA of 2.67. A student whose cumulative GPA falls below 2.67 will be placed on academic probation, and must have a minimum term GPA of 2.67 in each subsequent semester or risk dismissal from the program. A student must maintain a minimum cumulative GPA of 2.67 for two semesters for the probationary status to be removed. Ordinarily, a student cannot graduate while on academic probation. Any student who has a cumulative GPA of 2.50 or lower is subject to immediate dismissal from the program.

Funding sources such as the Veterans Administration, ecclesiastical bodies (e.g. local church or classis), and the guaranteed student loan program will be promptly notified when a student receiving funds is placed on probation or terminated.

MDiv Program Curriculum

Your preparation for ministry should include the same components that make for a good sermon. It should be biblical, authentic, contextual, and life-changing. The Master of Divinity curriculum is built on these four cornerstones—a foundation that connects the best of the Reformed tradition with the contemporary ministry practices essential for tomorrow’s leaders.

Residential students live in West Michigan and complete their studies in three years (although some choose to stretch it out to four years or longer) at the Grand Rapids campus. They will be able to attend weekly
chapels, participate in club activities, and interact with peers on a daily basis.

Students in the distance learning Master of Divinity can complete their studies in 5 years. The distance program maintains the same high quality of education as our residential program. Taking approximately 3 courses per semester, distance learning students will complete much of their work online, traveling to the campus in Grand Rapids twice a year for five-day intensives. Formation for ministry is a strong emphasis as students experience the program in learning cohorts, engage in a wide range of internship opportunities, and receive support through formation groups.

Sample course sequences for the MDiv program are below. Residential students who would like to complete their program in 3 years should follow Chart A. Residential students wanting to spread the program over four years should follow Chart B. Distance Learning students should follow Chart C. The MDiv program can be adjusted for those students who have completed Greek language studies prior to coming to Calvin Seminary.

**Only required of students seeking CRC candidacy.*
**Advanced Standing**

MDiv students are eligible to receive up to 12 hours of credit in their program by way of Advanced Standing.

Student competence is demonstrated by way of a written exam and evaluated by faculty. If granted, Advanced Standing reduces the number of credit hours needed to complete the degree and can open doors to an additional internship or specialized coursework.

Study guides for the Advanced Standing tests are available on the Advanced Standing webpage of SemLink (Calvin Seminary's internal website). MDiv students may seek Advanced Standing for the following courses:

- Bible Survey (3)
- Christian Theology in Reformed Confessions (3)
- Christian Engagement with World Religions (3)
- Church in Historical Context I or II (not both) (3)

**Advanced Standing in Greek and/or Hebrew**

Students may receive 6 credits of Advanced Standing in Greek and/or Hebrew without taking a placement exam by meeting the following criteria:

- Transcript evidence of having taken at least 2 courses (at least 6 credit hours) at an accredited educational institution
- Having received an average of B or better in those courses
- Having taken the last course within the last 5 years

Students who do not meet these criteria may choose to take an exam administered by Calvin Seminary. The results of the exam determine whether Calvin Seminary will grant Advanced Standing transfer credit for one, two, or no courses in Greek or Hebrew. Students may take the test one time and will pay the usual cost for Advanced Standing exams.

MDiv students who receive Advanced Standing in Greek and/or Hebrew are also eligible for up to 12 credits of Advanced Standing in other courses for which tests are available.

**A Developmental Curriculum**

At Calvin Theological Seminary, we are concerned with not only what we teach but also how we teach it. Our developmental pedagogy begins with basic literacy in all curricular areas, followed by increased in-depth analysis, and culminating in multi-disciplinary integration.

Concentrations
MDiv students may choose a concentration. Concentrations allow for more specialized study related to a student's ministry interests and calling. Concentrations also provide more thorough preparation for students who are considering doctoral study in a particular field.

Students are allowed to create their own concentrations, under the advisement of the Registrar at least a year prior to graduation.

To obtain a concentration, students must take six elective credits (generally 3 electives) in their area of concentration. All of those credits can be used for elective credit in their MDiv program. A student may have more than one concentration, as long as no credits count toward more than one concentration.

Candidacy for Ministry
If you are preparing for ordained ministry, Calvin Seminary works with you to meet your church's requirements for ordination. In order to make sure that you meet all requirements, please consult with the Vocational Formation Office and with your denomination early in your MDiv program.

If you are preparing for ordained ministry in the Christian Reformed Church, you must meet the synodical requirements for candidacy, must have demonstrated academic, personal, and professional readiness for ministry, and ordinarily must have a cumulative GPA of 2.85 or higher.

MDiv Program Goals and Learning Outcomes
In fulfilling its mission, Calvin Seminary seeks to develop well-formed graduates who:

- teach and preach the Bible,
- mature in their pastoral identity,
- discern and engage ministry contexts,
- and help to form communities of disciples.

These four program goals are intimately and necessarily related because every ministry situation involves a biblical MESSAGE which a PERSON communicates in a particular CONTEXT and for a specific GOAL. Accordingly, Calvin Seminary wants MDiv students to exhibit the following learning outcomes:

1. MESSAGE
   1.1 Knowledgeable: students understand biblical languages and content, theological themes, the Reformed confessions, and the Christian tradition.
   1.2 Theologically reflective: students integrate biblical, historical, theological, and pastoral reflection with all ministry practices.
   1.3 Preaching and teaching: students explain and apply the biblical message clearly and engagingly.

2. PERSON
   2.1 Spiritually mature: students exhibit the fruit of the Spirit, a commitment to the gospel of grace, and an eagerness to serve the mission of Christ's church.
   2.2 Interpersonally intelligent: students demonstrate emotional health and relate to others with love and respect, even when expressing differences of belief or values.
3. CONTEXT

3.1 Discerning: students discern the ways in which theology and ministry practices are shaped by and respond to their historical and cultural contexts.

3.2 Engaging: students persuasively communicate the Gospel to people in a particular community, including religiously pluralistic, multicultural and cross-cultural settings.

4. GOAL

4.1 Discipling: students evangelize, respond to criticisms of Christianity, encourage moral formation, and provide pastoral care so that people at all stages of faith formation become more fully devoted followers of Jesus Christ.

4.2 Worshiping: students worship and help others worship in ways that are God-glorifying and spiritually renewing.

4.3 Serving: students promote service ministries that humbly seek justice, compassion, and reconciliation.

4.4 Leading: students help a group embody in its corporate life the Christian practices that shape vital Christian life, community and witness.

Future Employment Options
Past graduates have applied their learning to a variety of ministry-based opportunities, including: pastor, chaplain, campus minister, missionary, church planter, and (with further study) professor.
Master of Arts in Ministry Leadership

This 39 credit program is designed to prepare you for a variety of forms of ministry, with each student choosing one of five possible concentrations:

- Bible Instruction
- Education, Youth, & Family
- Missional Leadership
- Pastoral Care
- Pastoral Leadership
- Worship

The program includes a solid core of biblical, historical, and theological study, along with several courses in a concentration designed to prepare you for the Christian service and ministry to which God is calling you. The MA in Ministry Leadership curriculum focuses on your personal and spiritual formation as it provides the basis for a biblical, authentic, contextual, and life-changing ministry.

Admission

The admission process reflects Calvin Seminary’s goal to train capable stewards of the life-changing gospel of Jesus Christ. A strong liberal arts education provides an excellent foundation for graduate level theological education and shapes well-rounded, intellectually and culturally astute graduates. Therefore, it is recommended that a candidate’s baccalaureate preparation consist of courses in the liberal arts, including English, philosophy, history, literature, social science, and natural science.

The Director of Admissions and the Registrar will examine the academic, professional, and ministry background of each applicant. If an applicant would benefit from further study in a particular area, a learning plan will be developed which could include specific seminary electives or additional courses from another academic institution.

To apply to the MAML program you must have a Bachelor’s degree or its equivalent from an accredited college with a grade-point average of 2.67 (B-) or higher. Non-native English speakers need to submit a minimum internet based TOEFL score of 80 total, with 23 in the writing section, OR a minimum overall IELTS score of 6.5, with at least a 6.5 in the writing section. You should also give evidence of academic and personal preparedness for theological education.

In some circumstances an applicant without a bachelor’s degree, or with a bachelor’s degree from an unaccredited institution, may be admitted into a degree program at CTS under a special provision of the Association of Theological Schools. In such cases, the Registrar will determine the program the applicant must take in order to meet the requirements for graduation.

Continuation Requirements

The three-year distance learning MA maintains the same high quality of education as our residential program. Taking approximately 3 courses per semester, distance learning students complete much of their work online, traveling to the campus in Grand Rapids twice a year for five-day intensives. Formation for ministry is a strong emphasis as students experience the program in learning cohorts, and receive support through formation groups.

The MA program is also available purely online, without the requirement to attend intensive sessions.

**Advanced Standing**
MA students are eligible to receive up to six credits of Advanced Standing.

Student competence is demonstrated by way of a written exam and evaluated by faculty. If granted, Advanced Standing reduces the number of credit hours needed to complete the degree and can open doors to an additional internship or specialized coursework.

Study guides for the Advanced Standing tests are available on the Advanced Standing webpage of SemLink (Calvin Seminary’s internal website), MA students may seek Advanced Standing for the following courses:
- Bible Survey (3)
- Christian Theology in Reformed Confessions (3)
- Christian Engagement with World Religions (3)

**MA in Ministry Leadership Program Goals and Learning Outcomes**
In fulfilling its mission, Calvin Seminary seeks to develop well-formed graduates who:

- teach and preach the Bible,
- mature in their pastoral identity,

Accordingly, Calvin Seminary wants MA in Ministry Leadership students to exhibit the following learning outcomes:

1. **MESSAGE**
   1.1 Students have a thorough knowledge of the Bible in English, and the necessary tools—including Reformed hermeneutics and Bible software—for interpreting and teaching the Bible in ministry.
   1.2 Students have a basic knowledge of select historical and modern theological issues, the impact these issues have had on the practice of ministry, and how Reformed theology addresses those issues.
   1.3 Students explain and apply the biblical message clearly and engagingly in their specialization.

2. **PERSON**
2.1 Students exhibit the fruit of Spirit, a commitment to the gospel of grace, and an eagerness to serve the mission of Christ’s church, especially in their specialization.

2.2 Students possess the requisite temperament and professional skills to serve as responsible members of a church staff.

2.3 Students demonstrate emotional health and relate to others with love and respect, even when expressing differences of beliefs, values, or practices.

3. CONTEXT

3.1 Students demonstrate skills in discerning various cultural contexts.

3.2 Students faithfully communicate the gospel of grace in word and deed in their specialization.

4. GOAL

4.2 Students promote in their specialization ministries of justice, compassion, and reconciliation which foster spiritual growth and demonstrate the life-transforming power of the gospel of grace.
Master of Arts (Bible and Theology)

The Master of Arts (Bible and Theology) is for those who wish to deepen their understanding of Scripture and theology in order to contribute to their occupation and life experience. The degree program explores the Bible (in English), systematic theology, and church history in order to encourage your spiritual growth and to better equip you for your work in the world. The MA (Bible and Theology) will benefit a wide range of people: teachers, business leaders, professionals, church workers, and many others who seek to enrich their spiritual lives, their understanding of the Christian faith, and their leadership potential.

Admission

The admission process reflects Calvin Seminary’s goal to train capable stewards of the life-changing gospel of Jesus Christ. A strong liberal arts education provides an excellent foundation for graduate level theological education and shapes well-rounded, intellectually and culturally astute graduates. Therefore, it is recommended that a candidate’s baccalaureate preparation consist of courses in the liberal arts, including English, philosophy, history, literature, social science, and natural science.

The Director of Admissions and the Registrar will examine the academic, professional, and ministry background of each applicant. If an applicant would benefit from further study in a particular area, a learning plan will be developed which could include specific seminary electives or additional courses from another academic institution.

To apply to the MA program you must have a Bachelor’s degree or its equivalent from an accredited college with a grade-point average of 2.67 (B-) or higher. Non-native English speakers need to submit a minimum internet based TOEFL score of 80 total, with 23 in the writing section, OR a minimum overall IELTS score of 6.5, with at least a 6.5 in the writing section. You should also give evidence of academic and personal preparedness for theological education.

In some circumstances an applicant without a bachelor’s degree, or with a bachelor’s degree from an unaccredited institution, may be admitted into a degree program at CTS under a special provision of the Association of Theological Schools. In such cases, the Registrar will determine the program the applicant must take in order to meet the requirements for graduation.

Continuation Requirements

Continuation in the MA (Bible & Theology) program requires a minimum cumulative GPA of 2.67. A student whose cumulative GPA falls below 2.67 will be placed on academic probation, and must have a minimum term GPA of 2.67 in each subsequent semester or risk dismissal from the program. Master of Theological Studies (MTS)

The Master of Theological Studies (MTS) is a flexible academic program designed to prepare you for further academic study or other careers that can be enriched by a strong theological education. You may also be interested in this program if you desire to understand the Christian faith more deeply. The MTS includes courses in Old and New Testament, Greek, Hebrew, Christian theology, apologetics, and more. Possible vocations include teaching, theological research, and editing.

Residential students can complete their studies in two years at the Grand Rapids campus. They will be able to attend weekly chapels, participate in club activities and interact with peers on a daily basis.

The three-year distance learning MTS maintains the same high quality of education as our residential program. Taking approximately 3 courses per semester, distance learning students complete much of their work online, traveling to the campus in Grand Rapids twice a year for five-day intensives.

The admission process reflects Calvin Seminary’s goal to train capable stewards of the life-changing gospel of Jesus Christ. Continuation Requirements

Funding sources such as the Veterans Administration, ecclesiastical bodies (e.g. local church or classis), and the guaranteed student loan program will be promptly notified when a student receiving funds is placed on probation or terminated.

Concentrations

The program includes core courses in Bible and theology. In addition, each student may choose an area of concentration. Concentrations allow for more specialized study related to a student’s interests and
calling. Concentrations also provide more thorough preparation for students who are considering doctoral study in a particular field.

Students are allowed to create their own concentrations, under the advisement of the Program Director at least a year prior to graduation.

To obtain a concentration, students must take six elective credits (generally 3 electives) in their area of concentration. All of those credits can be used for elective credit in their MTS program. A student may have more than one concentration, as long as no credits count toward more than one concentration.

Study guides for the Advanced Standing tests are available on the Advanced Standing webpage of SemLink (Calvin Seminary’s internal website). MTS students may seek Advanced Standing for the following courses:
- Bible Survey (3)
- Christian Theology in Reformed Confessions (3)
- Christian Engagement with World Religions (3)
- Church in Historical Context I or II (not both) (3)

Language Requirements
The program requires biblical Greek and Hebrew. MTS students who intend to focus on theological rather than biblical studies may make the following program adjustments:

1. Two semesters (typically 8 credits) of college Latin instead of Biblical Hebrew I (301) and Biblical Hebrew II (321).
2. Two MA Old Testament courses replace 402 and 403/404.
3. Students must use one of their electives to take a New Testament course.

Any MTS student may take a semester of Latin in place of an elective, or two semesters of Latin in place of two electives. Latin may be taken prior to a student’s matriculation at Calvin Seminary or during a student’s course of study. Although Calvin Seminary does not currently offer Latin, MTS students are encouraged to take Latin at a local college or study it on their own. In order to receive credit for Latin, students will be required to pass a competency exam administered by CTS Faculty.

Advanced Standing in Greek and/or Hebrew
Students may receive 6 credits of Advanced Standing in Greek and/or Hebrew without taking a placement exam by meeting the following criteria:
- Transcript evidence of having taken at least 2 courses (at least 6 credit hours) at an accredited educational institution
- Having received an average of B or better in those courses
- Having taken the last course within the last 5 years

Students who do not meet these criteria may choose to take an exam administered by Calvin Seminary. The results of the exam determine whether Calvin Seminary will grant Advanced Standing transfer credit for one, two, or no courses in Greek or Hebrew. Students may take the test one time and will pay the usual cost for Advanced Standing exams.

MTS students who receive Advanced Standing in Greek, Hebrew, and/or Latin will also be eligible for up to 9 credits of Advanced Standing in other courses for which tests are available (up to a maximum of 16 total credits of Advanced Standing).

MTS Program Goals and Learning Outcomes
In fulfilling its mission, Calvin Seminary seeks to develop well-formed graduates who:
- teach and preach the Bible,
- mature in their personal identity,
- discern and engage ministry contexts,
• and help to form communities of disciples.

These four program goals are intimately and necessarily related because biblical and theological study involve a biblical MESSAGE which a PERSON communicates in a particular CONTEXT and for a specific GOAL. Accordingly, Calvin Seminary wants MTS students to exhibit the following learning outcomes:

1. MESSAGE
   1.1 Students are equipped with the necessary tools for responsible Biblical interpretation including facility in the original Biblical languages of Greek and Hebrew, and Reformed hermeneutics.
   1.2 Students have a basic knowledge of some of the most important historical and modern theological issues, the impact those issues have had on the historic Christian faith, and how Reformed theology addresses those issues.

2. PERSON
   2.1 Students know how to practice various spiritual disciplines and have learned how theological education is itself spiritually formative.
   2.2 Students exhibit the fruit of the Spirit by providing thoughtful, fair, and respectful analysis and interpretation of Biblical and theological positions with which they disagree, as well as recognizing the weaknesses of the positions with which they agree.

3. CONTEXT
   3.1 Students are able to clearly articulate their biblical and theological knowledge in a variety of settings depending on their vocational goals.

4. GOAL
   4.1 Students recognize that, as disciples of Jesus Christ, the primary purpose of theological study is to serve the church so that the church might better equip God’s people to advance the mission of God in the world.
Master of Theology (ThM)

The Master of Theology (ThM) program is designed as a post-MDiv/MTS degree to introduce students to study and academic research in a specialized area of biblical, theological, or ministry studies. Ecclesiastical Program for Ministerial Candidacy

The Ecclesiastical Program for Ministerial Candidacy (EPMC) is designed for students who aspire to be Ministers of the Word in the Christian Reformed Church and who are studying or have studied at a seminary other than Calvin Theological Seminary. All students intending to seek candidacy in the CRCNA are required to meet the overall standards for candidacy that have been officially established by the synod of the CRCNA for those who follow the regular course of study at Calvin Theological Seminary.

This program gives students an orientation to the theology, history, and ministry of the Christian Reformed Church, and walks with students on the ministry formation journey to ministerial candidacy in the Christian Reformed Church.

The 10 credit program is offered in-residence each fall as well as in a 24-month online mentor-focused format. Those interested in the EPMC program should contact Rev. David Koll, Director of Candidacy for the CRCNA (dkoll@crcna.org) for more information. Whether choosing the resident or the non-resident option, students must follow the application procedures described on the webpage.

Calvin Theological Seminary offers this program on behalf of synod and the Candidacy Committee, a synodical standing committee that processes all candidacy recommendations to synod. This ecclesiastical program applies to students who are following the route to ministry outlined in Article 6 of the Church Order of the Christian Reformed Church.

It is important for prospective EPMC students to acquaint themselves with program requirements and apply to the EPMC program as early as possible in their MDiv program, preferably after their first year.

For the EPMC program checklist and application, see http://www.calvinseminary.edu/admissions/apply/epmc-application-instructions/.
### Formation for Ministry

The Vocational Formation Office exists within Calvin Theological Seminary to shape the character, the heart, and the leadership of emerging leaders for the Kingdom of God. Partnering with fine academic learning, we use a variety of tools for this formative work, including: strength-based and psychological assessments, formation groups, concurrent contextual learning, theological and personal reflection/evaluation, vocational mentors and ongoing peer to peer learning.

We have tried to capture our formation process in this simple, yet we think helpful, image:

![Formation Process Diagram](image-url)

Over the course of their studies at CTS, students in the Master of Arts, Master of Divinity, and Master of Theological Studies degree programs will participate in this essential formation process. Participation will be primarily in the tools that are part of the formation circle in the diagram, with the ultimate goal of each student's character, heart and leadership being better formed in preparation for ministry:

a. **Formation Requirements:** Each degree program has its own formation requirements.

   MDiv - 6 semesters (6 credits)
   MA- 4 semesters (4 credits)
   MTS – 4 semesters (4 credits)

b. **Assessments:** Students will participate in assessments, including:

   **Birkman Assessment**
   The Birkman assessment will be a key part of the formation in the first semester. This assessment tool is a strengths based tool that should be of great encouragement to the student.

   **Psychological assessment**
During the first week of each MA and MDiv student’s seminary experience, students undergo a series of psychological tests. This testing is then scored by clinical psychologists. The data from this scoring is then used in formative conversations between students and the psychologist over the course of two scheduled meetings. Then, sometime around the January Term of the first year of a student’s program, a written psychological assessment is returned the Seminary. This report is another tool designed to raise the self-awareness of the student, albeit around some potentially problematic areas.

This report will be processed by the student with their Vocational Mentor, in conjunction with the Vocational Formation Office.

Vocational Assessment
Designed for MA and MDiv students, this assessment is about skills, passions and interests. It will be a half day time of encouragement and direction.
NOTE: MTS students will not do the Psychological Assessment or Vocational Assessment.

c. Students in the MA and MDiv degree programs will all serve concurrently in a contextual learning environment for either 4 semesters (MDiv) or 2 semesters (MA).
d. Students will be paired with a seasoned and trained vocational mentor who will live in a posture of being “for” the student as they study and are formed in preparation for ministry.
e. Students will be engaged in peer learning contexts that we call Formation Groups.
f. Formation Groups will be led by experts in particular areas or coursework which the students in the group are studying.
g. Students (MA and MDiv) will participate in a for-credit skills course about Race, Gender and Cultural Awareness.
h. MDiv students will all participate in a 200 hour Cross Cultural Internship designed to push and test their theological assumptions and cultural awareness. Many students love this experience and find it very formative.
i. Some students may choose to engage in a Clinical Pastoral Education environment where an awareness of self and context is a skill that is deeply developed and cultivated for ministry.
j. Students in the professional MA program will also be placed in a ministry context that suits their area of concentration. (Please note that those in the MA: Pastoral Care will be required by their degree to complete a full unit of CPE)

Chris Wright, Geoff Vandermolen, Samantha DeJong McCarron, and David Beelen make up the Vocational Formation team. Please feel free to contact them as needed, or as questions arise.

International Student Services

At Calvin Theological Seminary we rejoice in the diversity of our student body and are grateful for our international students. The presence of international students on our campus enriches our communal life. We value the opportunity to get to know one another, to work together, and to support each other in our studies. We pray that your time here will prepare you well for your future service for our Lord Jesus Christ.

We offer some resources that may be of benefit to you, including our International Friends program, Conversation Groups, an English Conversation Partners program, and our Rhetoric Center program to help with proofreading papers. We have put together a webpage with information on these programs as well as other important information for international students. This website can be found at: https://semlink.calvinseminary.edu/student-life/international-students/

As an international student, you must be enrolled full-time in a program at Calvin Theological Seminary and have a valid non-immigrant visa status: an F-1 or J-1 status.

According to the Department of Homeland Security (DHS), “an F-1 student is a nonimmigrant who is pursuing a ‘full course of study’ to achieve a specific educational or professional objective, at an academic institution in the United States that has been designated by the DHS to offer courses of study to such students, and has been enrolled in SEVIS (the Student and Exchange Visitor Information System).

According to the Department of State regulations [22 CFR 62.1(b)], “The purpose of the Program is to provide foreign nationals with opportunities to participate in educational and cultural programs in the United States and return home to share their experiences, and to encourage Americans to participate in educational and cultural programs in other countries.”

If there is something that is unclear, do not hesitate to ask any questions you may have about what’s written – or not written – on the website! We are ready and willing to help you in any way that we can. Our doors are open to welcome and to serve you.

Education Costs

The Office of Financial Aid establishes cost of attendance budgets that are used to determine eligibility for financial aid. These budgets include estimates for tuition, rent, books and other expenses.

Tuition for academic year 2020-2021

- Certificate, Master of Divinity, Master of Arts, and Master of Theological Studies students are billed $514.00 per hour.
- Master of Theology students are billed $815.00 per hour.

Any scholarship or loan money that is remaining in the student's account after tuition has been paid may be used for the cost of books and other expenses. The book allowance is based on full-time enrollment, but expenses may vary depending on the course and degree program. The book allowance for an academic year is $850.

Rent
The budget for rent is based on the cost of living in Calvin Theological Seminary owned housing. This may be located on campus or at our apartments a short distance from campus. For detailed housing costs, please see the housing information in this document.

Other Expenses
Other expenses include allowances for transportation, clothing, recreation, medical insurance, utilities, and other miscellaneous living expenses. These expenses vary greatly based on the individual student. The estimates are considered reasonable, but modest, and are determined after surveying segments of our student body.

Scholarships

Through the generosity of donors, Calvin Theological Seminary is able to award many merit and need-based scholarships. With some exceptions, scholarship awards are deposited to the student's seminary account at the beginning of each semester during the academic year in two equal portions.
